

## PRODUCT SUMMARY

We all can experience tummy troubles. This is just as true for our pets as it is for us, but our fluffy friends don't necessarily know what to do. Diffuse or apply this directly to your pet's belly to naturally help comfort them with a blend of essential oils.

## KEY INGREDIENTS

Ginger, Anise, Peppermint, Cumin Seed, and Spearmint essential oils

## EXPERIENCE

Utilize ParaGize to promote daily health, wellness, and protection.

## PRODUCT BACKGROUND

Young Living has always been dedicated to the well-being of your home and family, including your fur kids! ParaGize was developed to support pets' health. Combining the settling, grounding properties predominantly found in Ginger, Anise, and Peppermint essential oils, Young Living's ParaGize is a relaxing, quieting blend that can assist in releasing feelings of discomfort.

# PARAGIZE™

Topical

Aromatic

## BENEFITS & FEATURES

- Contains a relaxing, quieting aroma that can be applied to your pet's abdomen
- Helps release feelings of discomfort with its comforting aroma
- Formulated without synthetic perfumes, dyes, artificial colors, or fragrances

## SUGGESTED USE

- Apply 1-2 drops topically to the abdominal area.
- Carefully apply according to the size and species of animal. Dilute more for smaller species.

## DIRECTIONS

Carefully apply according to the size and species of the animal. Additional dilution is recommended for smaller species.

## CAUTIONS

Take extra care when using any essential oils, especially those with citric ingredients, around cats. Specifically formulated for veterinary use. Keep out of reach of children. Store in a cool, dark place.

## INGREDIENTS

Caprylic/capric glycerides, *Zingiber officinale*† (Ginger) root oil, *Pimpinella anisum*† (Anise) seed oil, *Mentha piperita*† (Peppermint) oil, *Cuminum cyminum*† (Cumin) seed oil, *Mentha spicata*† (Spearmint) leaf extract, *Rosmarinus officinalis*† (Rosemary) leaf oil, *Juniperus osteosperma*† (Juniper) oil, *Foeniculum vulgare*† (Fennel) oil, *Cymbopogon flexuosus*† (Lemongrass) oil, *Pogostemon cablin*† (Patchouli) oil

†100% pure, therapeutic-grade essential oil

## FREQUENTLY ASKED QUESTIONS

### Q. How long can ParaGize be diffused?

A. ParaGize can be diffused up to 1 hour 3 times daily.

### Q. How much does ParaGize need to be diluted before application?

A. This product is prediluted specifically for animals. However, additional dilution may be required depending on the size and sensitivity of the animal. We do not

have specific dilution ratios available, as this product is formulated for all animals, and each individual animal will have different levels of sensitivity. Start by diluting heavily and use in moderation. We also suggest testing the blend on a small area before wide-spread application. Every animal is different, so carefully observe how each animal responds to the oils.
