

PRODUCT SUMMARY

MightyPro is a unique, synergistic blend of prebiotics and probiotics in a supplement specially formulated for children. Packaged in easy, one-dose packets that can be taken almost anywhere you go, this supplement features over 8 billion active, live cultures to support digestive and immune health.*

Featuring a great-tasting formula that can be added to cold food and drinks for easy consumption, MightyPro supports gastrointestinal and immune health and maintains gut health in children, keeping kids up and active. That means fewer missed days of school, day care, and playing with friends.*

KEY INGREDIENTS

Prebiotic blend (Fructooligosaccharides, Ningxia wolfberry (Lycium barbarum) fruit fiber), Lactobacillus paracasei Lpc-37, Lactobacillus acidophilus LA-14, Ningxia wolfberry (Lycium barbarum), Lactobacillus plantarum LP-115, Lactobacillus rhamnosus GG AF, Streptococcus thermophilus, Lactobacillus rhamnosus 6594, Bifidobacterium infantis BI-26

EXPERIENCE

MightyPro's Wolfberry Punch flavor provides a sweet and tasty experience, whether added to food or drink or directly dissolved in the mouth. Packaged in convenient, single-serve packets to ensure the freshness and efficacy, MightyPro requires no refrigeration, unlike some other probiotic supplements.

FORMULATED WITH

MightyPro is formulated with Ningxia wolfberry fiber, a naturally occurring prebiotic. The wolfberry fiber passes through the gut and promotes healthy bacteria in the colon, helping make the most of the probiotic complex.

PRODUCT BACKGROUND

The appearance of healthy gut microflora has widespread and long-lasting consequences on your child's well-being. MightyPro features the goodness of Young Living's own Ningxia wolfberries and is formulated to support beneficial bacteria in the gut. MightyPro single-serve packets are a convenient choice for the whole family, with a formula that promotes not only digestive health but also general health in both children and adults.*
